**Subject:** Annual Escalation factor for ARR computation and computation of indexed SOR by Major Port Trusts under Tariff Policy, 2018.

**No.TAMP/12/2009-Misc.  
29 March 2019**

To

The Chairmen,  
All Major Port Trusts.

**Subject: Annual Escalation factor for ARR computation and computation of indexed SOR by Major Port Trusts under Tariff Policy, 2018.**

Sir,

As per the clauses 2.8 and 2.9 of the Tariff Policy, 2018, the Authority is required to announce the indexation factor considering the WPI occurring between 1 January 2018 and 1 January of the relevant year i.e. 1 January 2019 so as to enable the Major Port Trusts to draw the indexed SOR to be applicable during the year 2019-20.

2.1. The WPI occurring between the relevant dates was ascertained from the Ministry of Commerce, Government of India. Considering 100% of variation in WPI occurring between 1 January 2018 and 1 January 2019, the Authority has approved an indexation factor of [REDACTED]

3. The Major Port Trusts may, therefore, index their SOR by applying an indexation factor of 4.26% for the year 2019-20 subject to Clause 3.2 of the Tariff Policy, 2018.

4. This issues with the approval of Competent Authority.

Yours faithfully,
