SUB: <sup>Payment of</sup> Cost of Tender through E-tender - Pag

The existing procedure on payment of Cost of Tender by the bidder, while submitting Tender through E-tender, was reviewed for some time and it has been decided that in order to promote wider participation and ease of bidding as provided in Rule No.161 (iv) of GFR 2017, no cost of Tender document may be charged from the bidder, while submitting their bid through E-tender. All HODs may issue suitable instructions to comply with, before publishing NIT through E-tender.
