NO SMOKING POLICY

VOC Port Authority

V.O. Chidambaranar Port Authority is committed to providing a safe, healthy, and clean working environment for all its employees, stakeholders, and visitors. In line with national public health regulations and green building principles, the Port strictly prohibits smoking within all its buildings, offices, and premises.

We at VOCPA are committed to:

- ❖ Prohibiting smoking in all enclosed and open areas within the Port, administrative buildings, terminals, workshops, public spaces, and any other facilities under the jurisdiction of the Port Authority.
- ❖ Installing clear and visible 'No Smoking' signage at strategic locations throughout all Port premises to ensure awareness and compliance.
- ❖ Promoting a smoke-free environment to protect the health and well-being of all personnel and to support environmental cleanliness and sustainability.
- ❖ Ensuring compliance with the Cigarettes and Other Tobacco Products Act (COTPA), 2003, and other applicable public health laws and government notifications.
- ❖ Taking appropriate disciplinary action in case of violations as per established Port regulations and administrative guidelines.
- ❖ Including this policy as part of employee orientation, vendor agreements, and public information systems within the Port.
- ❖ Reviewing and updating this policy periodically to remain consistent with public health standards and environmental objectives.

This No Smoking Policy reflects the VOC Port Authority's commitment to maintaining a clean, healthy, and responsible working environment for all who operate within its boundaries.
