ABOVE CHARGES ARE SUBJECT TO SERVICE TAX

Unless otherwise specified, the surcharge table of special equipments(such as FO/FC/TK) are the same as tariff of dry cargo.

REMARK :

1. Cntr type for "personal effects" means containers containing commodity: used house hold goods, unaccompanied baggagescars, cars etc..

/ Explain the service type for 'Port transit shed' : Personal effect cargo is only allowed to destuff inside Port area at Port transit shed. Since Carrier's responsibility to destuff personal effects, require service type "FCL/LCL".

2. Currently, CIX & CIX3 service will berth at GT1 terminal; and CIX2 service will berth at JNPT terminal, however the terminal would be changed according to the port real situation without prior notice.
