MARINE DEPARTMENT

No.M/SHIP/01-2019/D. 249

Dated: 05.04.2019

CIRCULAR

Recently, it is noticed that one of the vessel that called VOCPT the actual draft was more than the declared draft, which is a serious issue.

Since VOC Port is handling deep draft vessels, it is necessary that accuracy of the declared draft must be ensured. All vessels calling VOCPT to take due diligence and declare the draft correctly so as to have safe shipping movements.

Any deviation in the declared draft the agent shall be held solely responsible.

Your co-operation in this regard will help us to ensure safe and efficient shipping movements.
