CIRCULAR

Sub: Implementation of one-way traffic in the Yellow Gate to NCB approach road – Reg.

It is informed that, in addition to the existing blacktop road, a new concrete road with a central median has been constructed from Yellow Gate to North Cargo Berth-I (NCB-I) and opened for vehicular movement.

In order to prevent accidents and ease traffic congestion in this stretch, it has been decided to implement one-way traffic on these roads. Accordingly, all heavy vehicles, light vehicles, and two-wheelers proceeding towards the North Cargo Berths from Yellow Gate shall use the newly constructed concrete road, and vehicles returning from the North Cargo Berths towards Yellow Gate shall use the existing blacktop road.
