TRADE NOTICE

**Sub: Renovation/upgradation of existing railway track at coal yard -
commencement of execution - modus operandi - line block - reg**

It is informed that M/s. Indian Port Rail & Ropeway corporation Limited (IPRCL) has been entrusted with the work for renovation/upgradation of existing railway track at coal yard. The Phase I work is expected to commence from 27.12.2021 and Phase II work shall continue thereafter. Accordingly, the work plan of M/s. IPRCL are as follows.,

Phase I: Seven days (07) for Complete Track Renewal (CTR) work in coal yard from the buffer end upto 400 M. During this time loading activities with half rake can continue.

Phase II: Balance 400 M CTR work will be carried out with the line block for the entire coal yard. During this period, the loading activities shall be suspended temporarily for 10 days.

Hence, all stakeholders are requested to plan their rake loading accordingly and extend their support & co-operation for early completion of the rail development work.
